

ERRATUM**OPEN ACCESS**

Two new species of *Euryhaliotrema* Kritsky et Boeger, 2002 (Monogenea: Dactylogyridae) from *Lutjanus russellii* (Bleeker) and *L. argentimaculatus* (Forsskål) (Teleostei: Lutjanidae) in the South China Sea

Yuan Sun and Tingbao Yang

Correction to: Folia Parasitologica (2015) 62: 040; 10.14411/fp.2015.040; published online 22 July 2015.

After the publication of this paper, two members of the editorial board noticed an error in the incorrect assignment of authorities to specific species. The authors and Editors would like to apologise for this mistake.

The correct assignment of taxon authorities are follows:

Position	Incorrect name	Correct name
Page 1, Introduction, line 6	<i>Euryhaliotrema anguiformis</i> Kritsky, 2012	<i>Euryhaliotrema anguiforme</i> (Zhang in Zhang, Yang et Liu, 2001) Kritsky, 2012
Page 1, Introduction, line 7	<i>E. chrysotaeniae</i> Kritsky, 2012	<i>E. chrysotaeniae</i> (Young, 1968) Kritsky et Boeger, 2002
